

Sponsor Registration Form

Detach and submit with payment

Sponsorships help LRHS support the costs associated with running the tournament. The net proceeds from this event go directly to the care of our local shelter pets in need.

Sponsoring is a wise marketing move. Depending on the sponsorship level you choose, your business will receive multiple opportunities for public recognition. Event signage, pre-tournament marketing, and post-tournament acknowledgements are just a few of the ways that your business will receive valuable marketing.

Did we mention sponsorships are tax deductible? We hope you will consider becoming a sponsor for this year's tournament.
